SAFE Haven Helps Zebulon Pet Owners Fix Cats for Free

SAFE Haven for Cats is offering free sterilizations at their clinic, SAFE Care Feline Spay/Neuter Clinic, for any pet cat living in zip code 27597. SAFE Haven has titled this initiative “Operation Kitty Saver”.

SAFE Haven received a grant from PetSmart Charities® to help sterilize cats in Zebulon. Zebulon was selected because the town has a high call volume to Wake County Animal Control, and is an economically distressed community in Wake County. This is the second year of a two-year grant.

“We can prevent thousands of unwanted kittens from being born and ultimately euthanized every year simply by spaying and neutering our pets,” said Sherri Orner, Associate Director of SAFE Haven. “It’s a safe and simple procedure performed by a highly-skilled surgeon.”

All spay/neuter surgeries will be performed by Dr. Betsy King, Director of the SAFE Care Feline Spay/Neuter Clinic. The clinic is located at 8411-109 Garvey Drive in Raleigh — just off of Durant Road near Capital Boulevard. In addition to the spay/neuter surgery, Zebulon-area cats will also receive their rabies and distemper vaccinations.

Transportation of cats is available to pet owners who have difficulty travelling between Raleigh and Zebulon. The transportation is free in both directions, but please only request it if there is no other way to get a pet to Raleigh. SAFE Haven relies on volunteers for this service.

To further ensure cat owners have access to the spay/neuter program, a Zebulon clinic is pitching in. On October 23, 2013, the Five County Spay/Neuter Clinic in Zebulon will be allowing SAFE Care to schedule eligible pet owners to bring their cats to Five County, saving them the drive to Raleigh. Scheduling for October 23rd must be done through the SAFE Care office.

Appointments are being set now. The program ends in June 2014. Individuals will be required to provide proof of residency in zip code 27597.

Anyone interested in getting their cat sterilized may make an appointment by calling SAFE Care at 919.872.7233, emailing clinic@safehavenforcats.org, or visiting safehavenforcats.org/operation-kitty-saver.

CenturyLink to Connect Teachers with Technology

Release by Derek Kelly, CenturyLink

CenturyLink, Inc. is connecting teachers with technology for the classroom. The CenturyLink Clarke M. Williams Foundation’s “Teachers and Technology” grant program today opened the application process for teachers in CenturyLink’s local service areas who want to innovatively implement technology in their classrooms to increase student achievement.

“As school budgets tighten, more and more teachers are looking for alternative ways to enhance the learning experience for their students, and the CenturyLink Teachers and Technology program is available to these innovative teachers,” said Rondi Furgason, CenturyLink vice president and general manager for eastern and central North Carolina. “CenturyLink’s vision is to improve people’s lives by delivering advanced technologies, and we are proud to give support directly to teachers doing the same thing for their students.”

CenturyLink service is neither required nor considered in the review of applications.

The Foundation will award more than \$1.4 million in grants to support technology in the classroom through the 2013-2014 Teachers and Technology program, offered throughout the company’s service areas in the US.

CenturyLink’s vision is to improve lives, strengthen businesses and connect communities by delivering advanced technologies and solutions with honest and personal service. CenturyLink extends this vision through the CenturyLink Clarke M. Williams Foundation, a 501(c)(3) organization dedicated to contributing to endeavors that improve the well-being and overall quality of life for people throughout CenturyLink’s communities.

Named after CenturyLink’s founder Clarke M. Williams, the Foundation is endowed by CenturyLink to support community initiatives that encourage our employees to use their time, talents and resources to strengthen the communities in which they live and work.

To learn more about the program or to apply for a grant, visit www.fsrequests.com/centurylink-teachers. The deadline for applications is January 10, 2014.

Shades of Grey

*Some situations are viewed in black and white; right and wrong. Yet, many people think situations also have a **grey area** where solutions are not so easily discerned. This is not just about the choices people make, but the thought process they go through to arrive at their decisions.*

Submitted for Your Discussion & Consideration

One of your work contacts stops by and invites you along to a business luncheon. You feel like you’re ready for a lunch break, so you go with him to the event.

When you arrive, you see that the luncheon is being hosted by a business rival, a competitor whose questionable business practices set you worlds apart. Signs for their business are everywhere. Your rival is even scheduled to give a presentation.

Do you think that you would stay for lunch? Would you think of it as an opportunity to network and put the rest out of your mind? How would you feel about walking out as an alternative?

Would it make a difference in your relationship with the work contact who invited you to come with him? Or do you think that would depend on how aware he was of your competitors negative business actions and the friction between you and your rival?

Wilson Church Presents Stage Play by Local Writer/Director with Local Cast

St. John AME Zion Church is proud to present the highly acclaimed stage play, "Face It, Fix It & Forget It" by Toshika Johnson Smith. The performance is Saturday, October 26, 2013 at Fike High School, located at 500 Harrison Drive in Wilson.

As the Wilson family hurriedly starts their day, little do they know they will each have life altering experiences before the day's end. Written and directed by Toshika Johnson Smith, "Face It, Fix It & Forget It" is a play about friendship, family faith and forgiveness. You will laugh and maybe even shed a tear or two. "The play is one the entire family will enjoy. It is a dramedy and laced with humor, but takes a serious look at several social issues", said Smith.

Dr. Michael S. Bell, pastor of St. John AME Zion Church, will return in the role of Rufus, the Wilson family patriarch. Rena Mayes, also returns as Algara the Wilson family matriarch. Pamela Small recreates her role as Cecile the eldest daughter of Rufus and Algara. Cecile, who has returned home after running away 13 years earlier finds things at home have not changed much and her relationship

with her parents is just as rocky as it was when she was a teen, if not worst.

Tatyana Ramsey makes her acting debut as Kelsey, Cecile's 12 year old daughter. Kiosha Ramsey, (Bevy), and Donte Mayes, (Weston), play the roles of Cecile's spoiled and equally irresponsible siblings. Other supporting roles are Louis Small, (Spirit of Kevin), Isaac Evans, Jr., (Lopez), Abel Beedie, (Hartley), Patricia Townsend, (Sharon), Yvonne Battle, (Dottie), James Goodman, (Mr. Jackson), Shonte Jones, (Toya), Charmaine Tate, (Sherice), and Rev. Janice Cox as Rev. Williams. The play will also feature Focused, a local gospel trio and the St. John Unity Choir.

Doors will open at 5 p.m. Show time is at 6pm. Tickets are \$10 for adults, \$5 for children 12 and younger. Tickets will be available at the door. They are also available in advanced at SaYum Ice Cream & Deli (408 E Nash Street, Wilson). Tickets are available for \$5 each at SaYum Ice Cream & Deli with each purchase of a sandwich combo.

Tickets also available at the Wilson Arts Council (124 Nash Street, Wilson). For group rates or for more information, call St. John AME Zion Church at 252.243.6847.

Little Bits

Chuckle of the Issue

A vampire bat came flapping in from the night covered in fresh blood and parked himself on the roof of the cave to get some sleep.

Pretty soon all the other bats smelled the blood and began hassling him about where he got it. He told them to knock it off and let him get some sleep but they persisted until finally he gave in “OK, follow me,” he sighed.

The vampire bat flew out of the cave with hundreds of his fellow bats behind him. Down through a valley they went, then across a river, and into a forest full of trees. Finally he slowed down. All the other bats milled around him excitedly.

“Now, do you see that tree over there?” he asked.

“Yes, yes, yes!” the bats all screamed in a frenzy.

“Good,” said the first bat, “Because I didn’t.”
